Chapter 167 “The War Front”

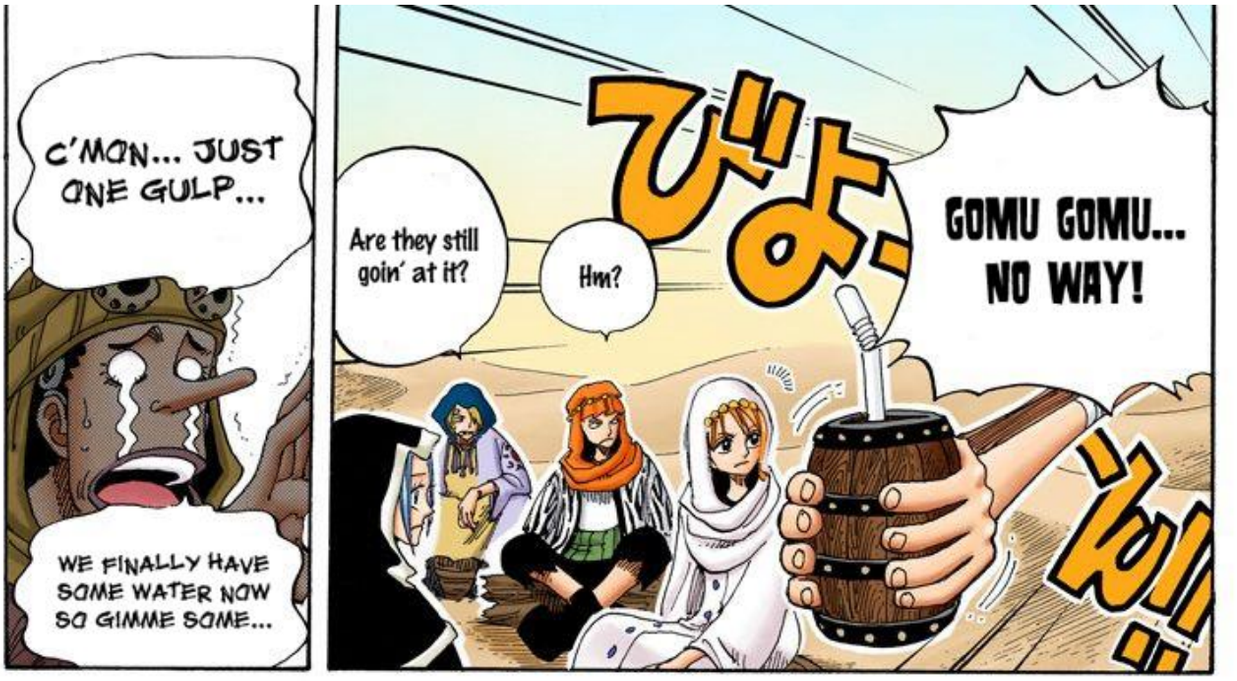

JANGO'S DANCE PARADISE VOL.32 "SHOW YOUR MOVES, COURT!"

All we really have to do is head North from Yuba.
The oasis town of Rainbase where Crocodile is currently at is here.

RAINBASE
The Town of Dreams
YUBA
Our Present Location
ALUBARNA
Alabastan Capital
Carue's Route
SPIDERS CAFE
ERUMALU
The Dried-up Town
NANOHANA
Port Town
KATOREA
Current Rebel Base
It's a day's walk away from here.

So there are some towns that are unaffected by the rebellion...
Don't get any strange ideas now...
Casinos, you say!?
チャリーン
Yes, don't worry. Despite the ongoing chaos in other parts of the country, Rainbase is a vibrant casino-town.
Will there be water there?

C'MON... JUST ONE GULP...
WE FINALLY HAVE SOME WATER NOW SO GIMME SOME...
Are they still goin' at it?
Hm?
GOMU GOMU... NO WAY!

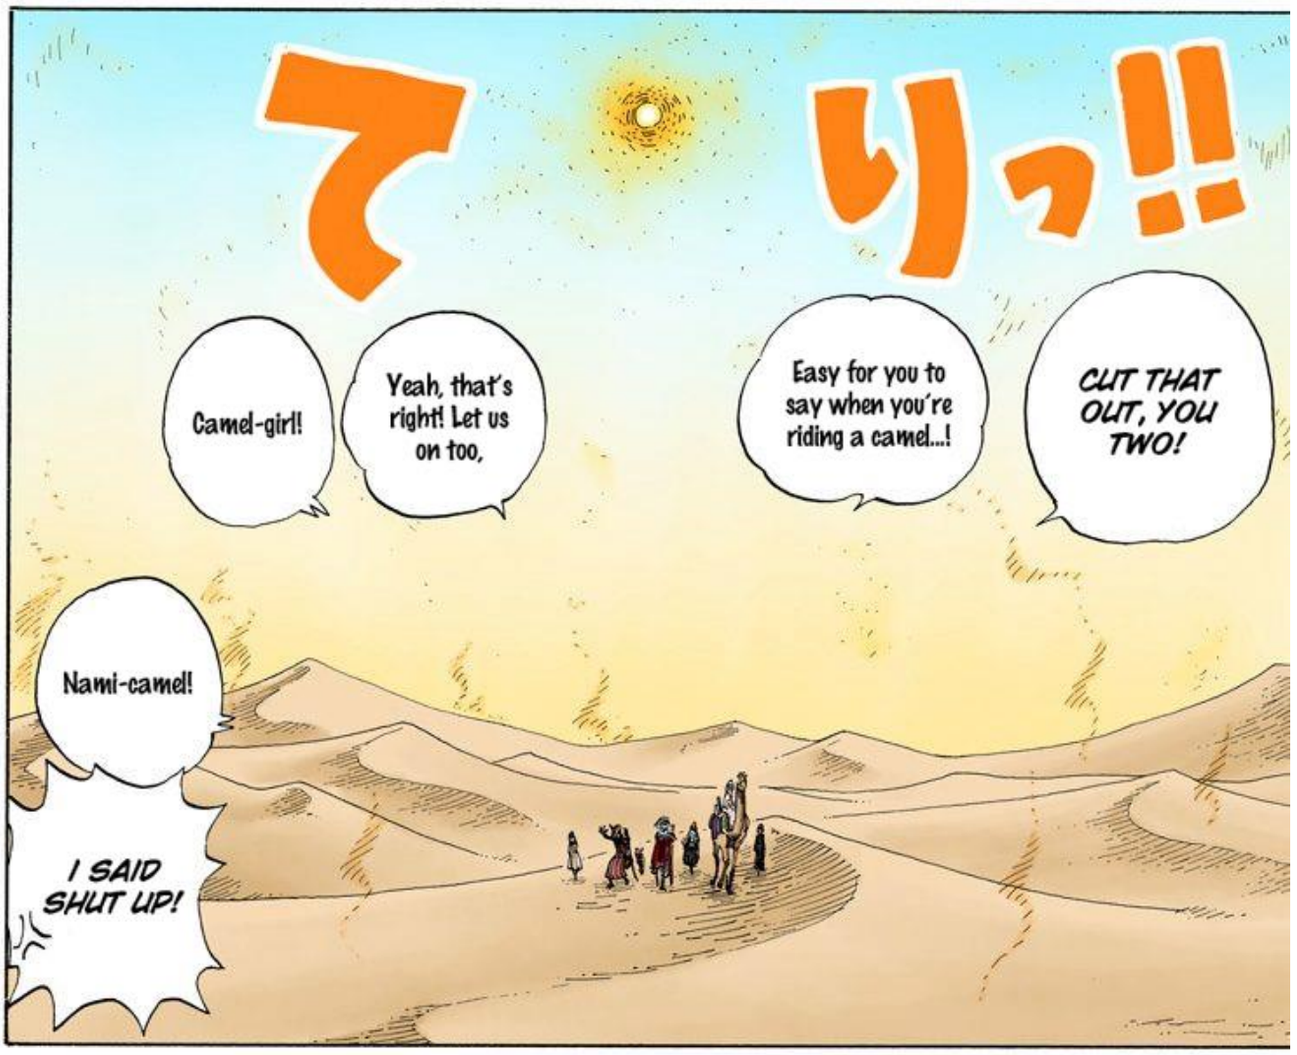

I'm not gonna let you or anyone drink it away that easily!
This is all the water,
That the old man spent all last night digging up!

GOMU GOMU NO WAY!
NO!
GIVE IT!
NO!
HEY!

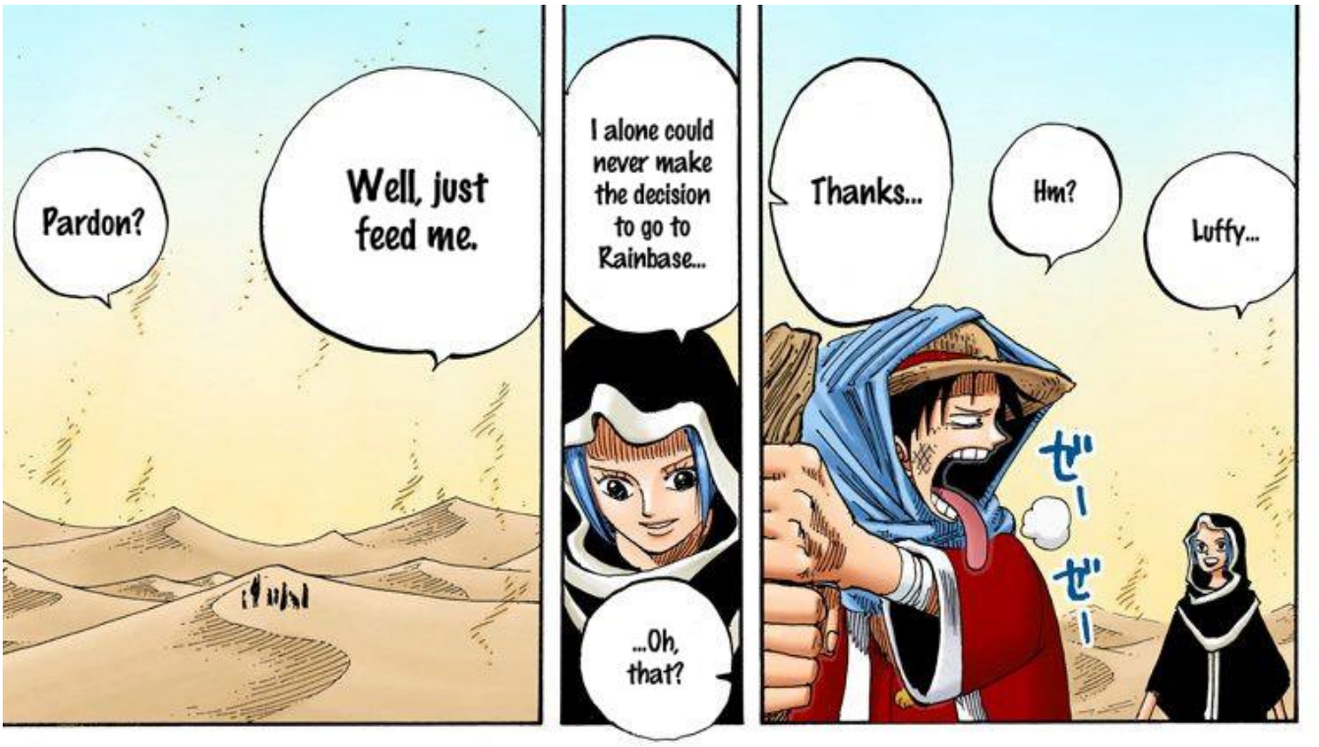

Yo, North is this way.

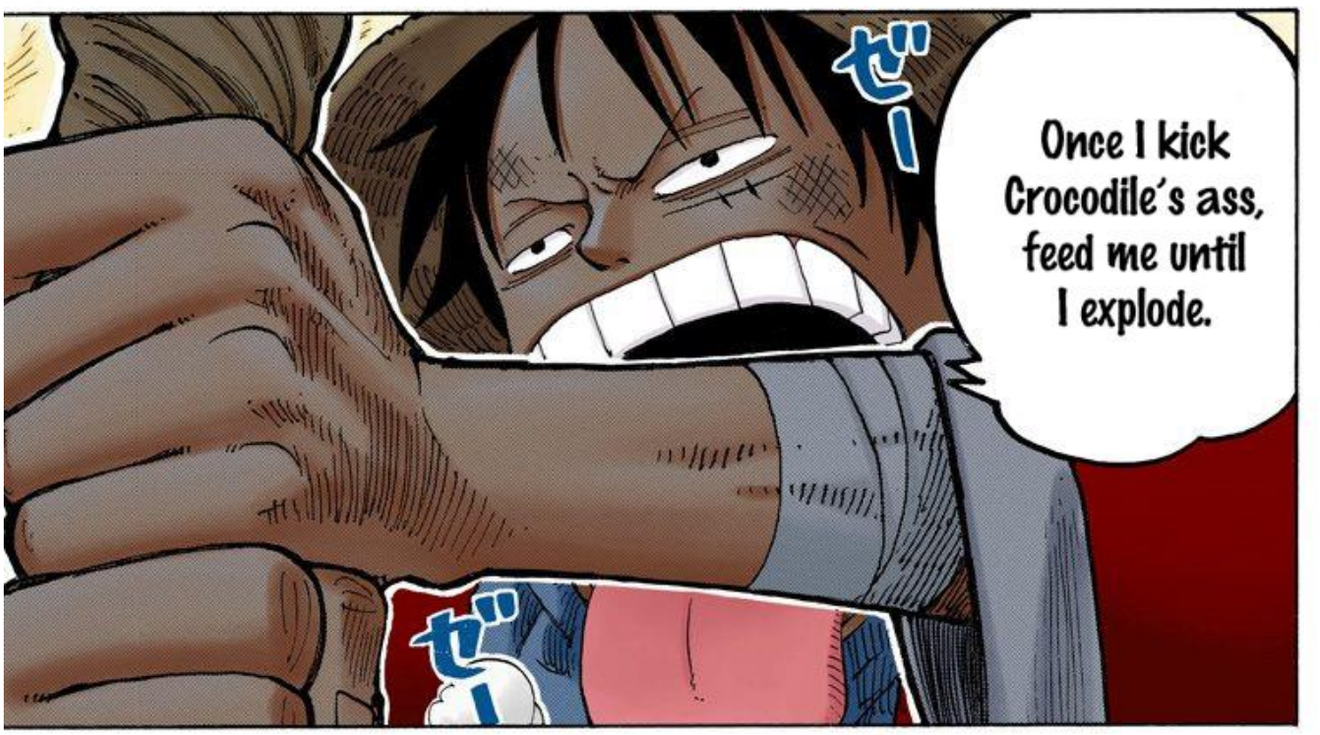

Alright, alright. Let's get a move on.
HOW RUDE!
OF COURSE I DO!
Oh, so you do have some self-restraint.

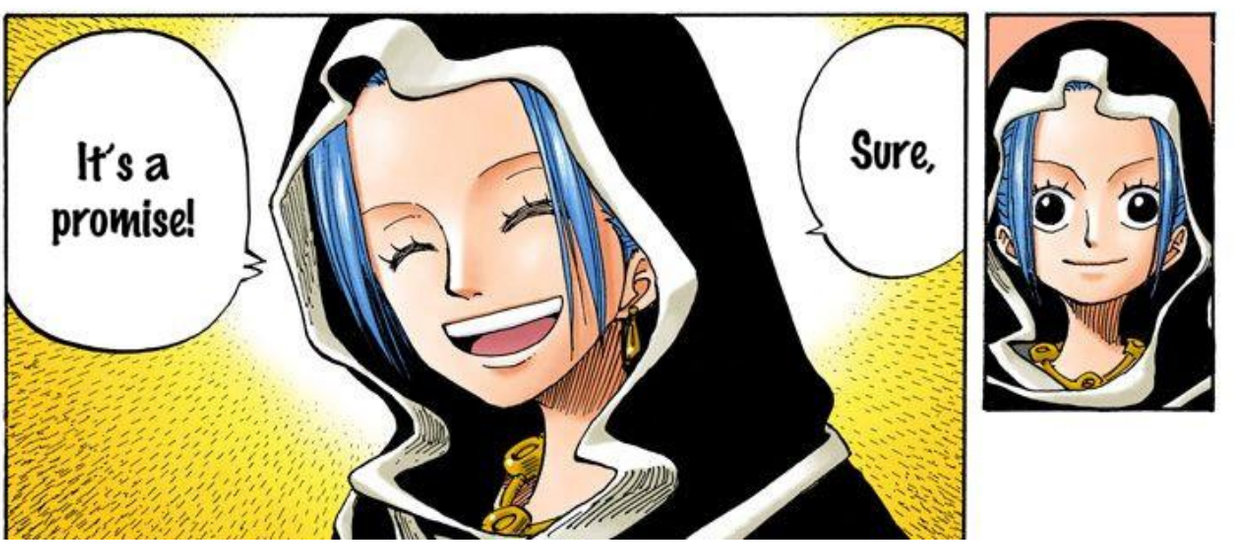

UGHH...
UGHH...

Camel-girl!
Yeah, that's right! Let us on too,
Easy for you to say when you're riding a camel...!
CUT THAT OUT, YOU TWO!
Nami-camel!
I SAID SHUT UP!

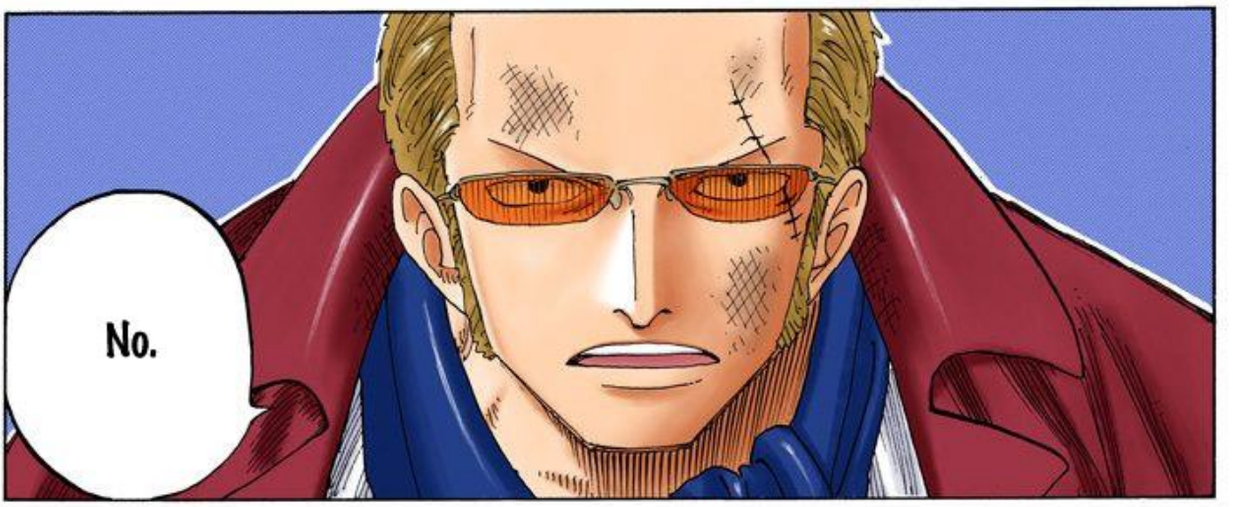

Heh heh
Yup! I'm going to be tough today!
You're truckin' along pretty well today, Chopper.

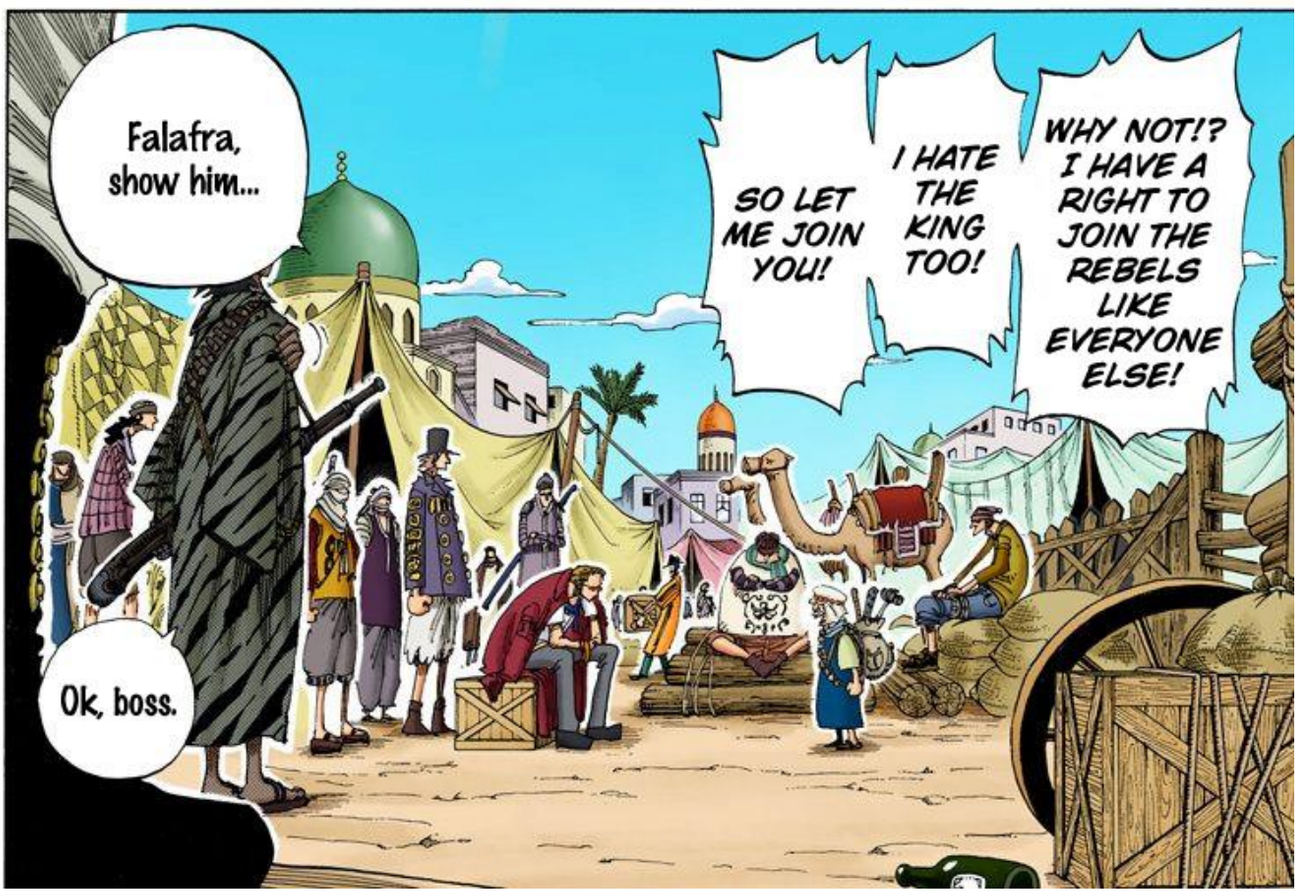

Pardon?
Well, just feed me.
I alone could never make the decision to go to Rainbase...
...Oh, that?
Thanks...
Hm?
Luffy...
ぜー
ぜー

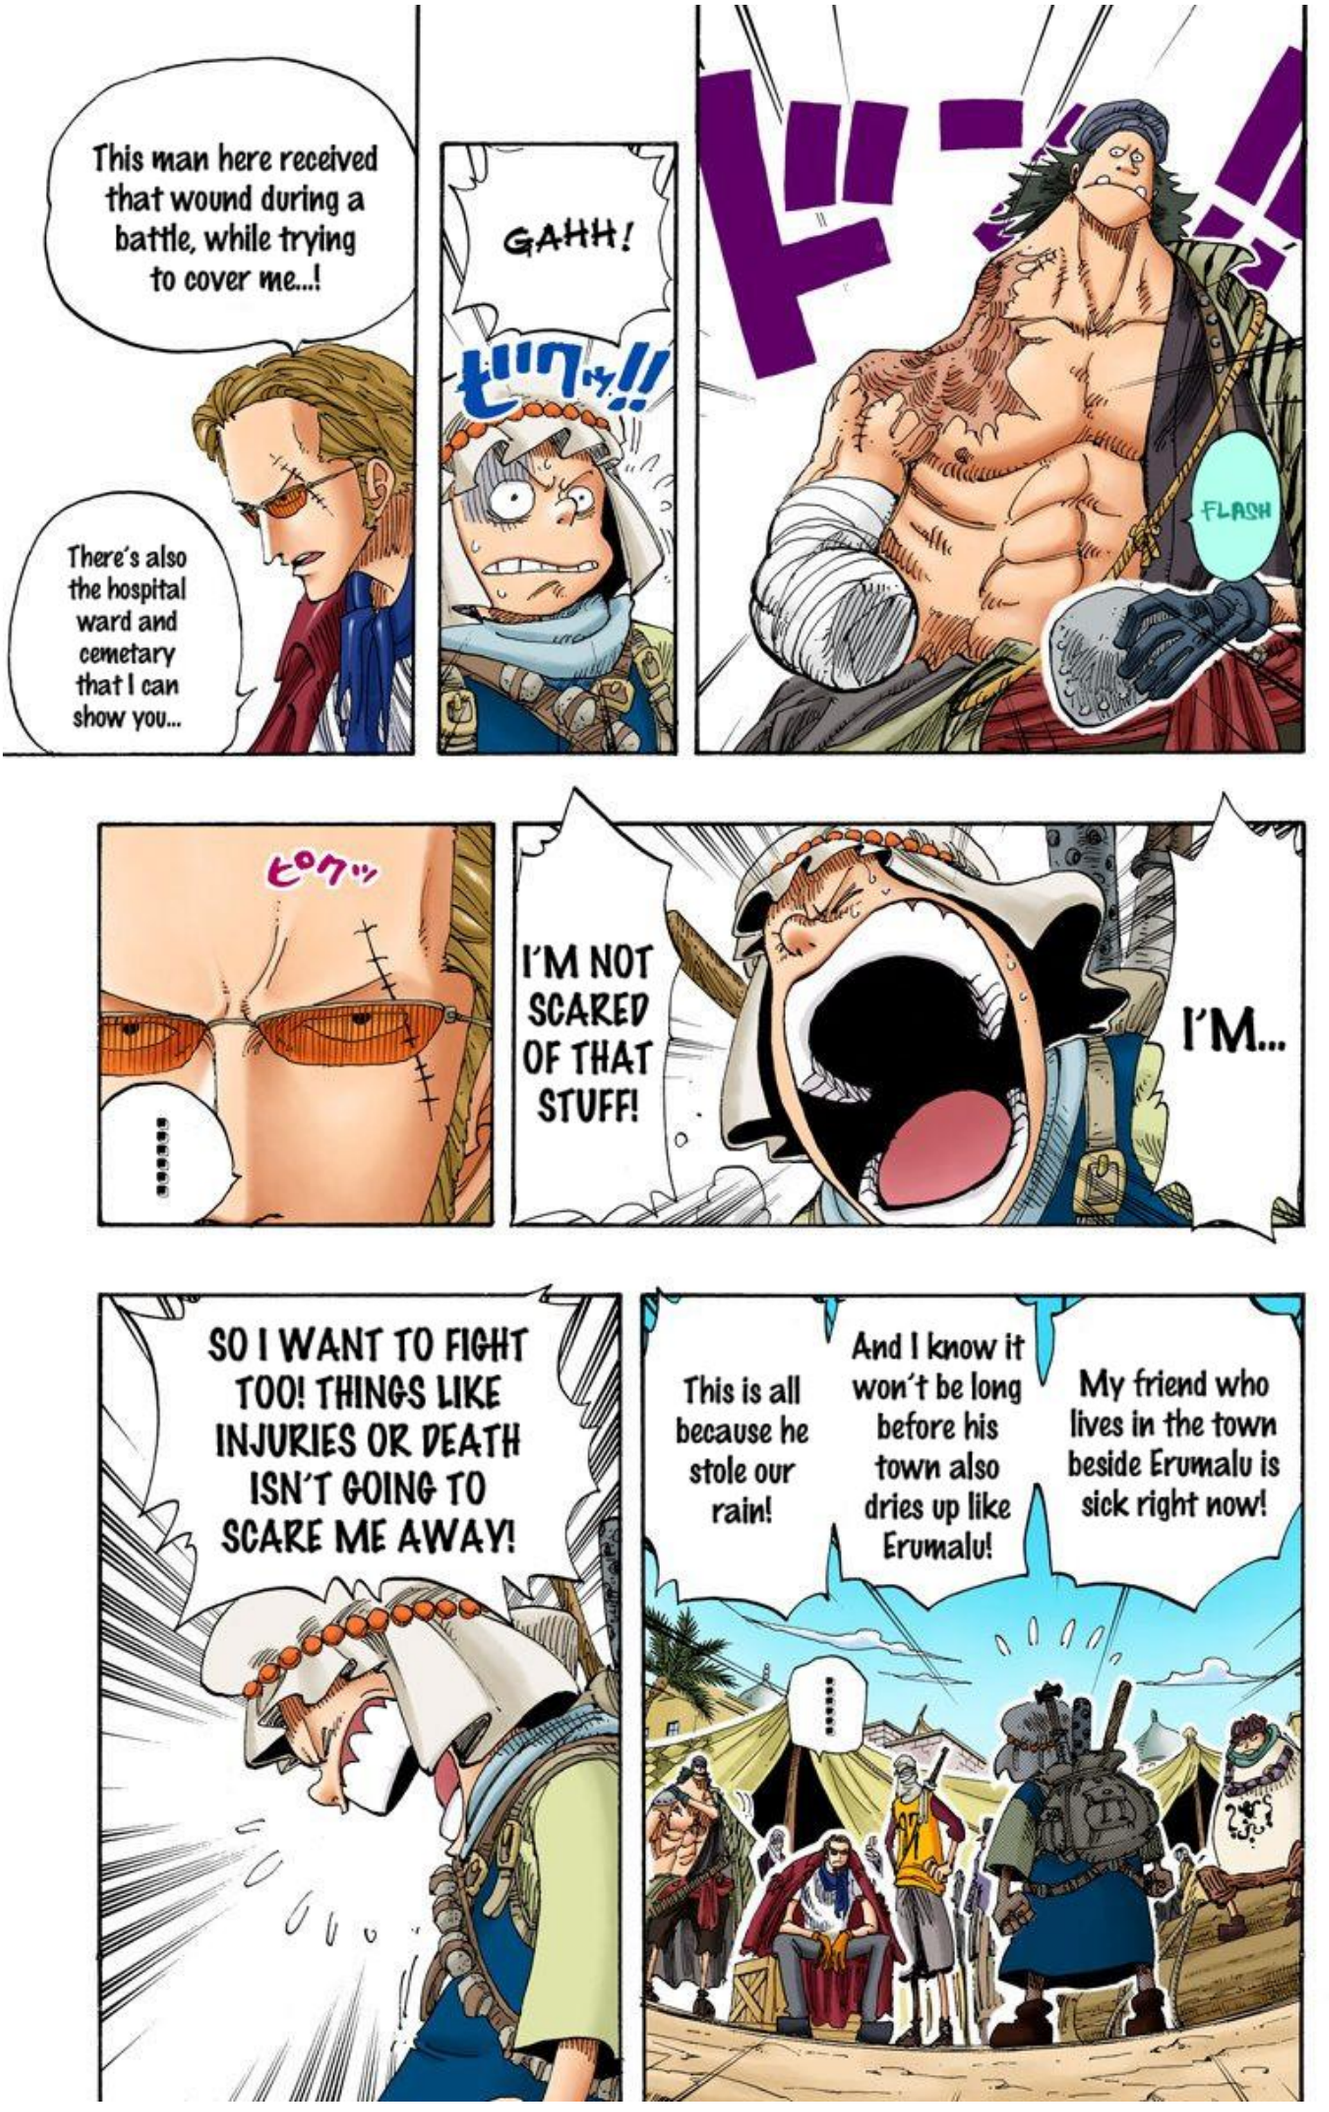

ぜー
Once I kick Crocodile's ass, feed me until I explode.
ぜー

It's a promise!
Sure,

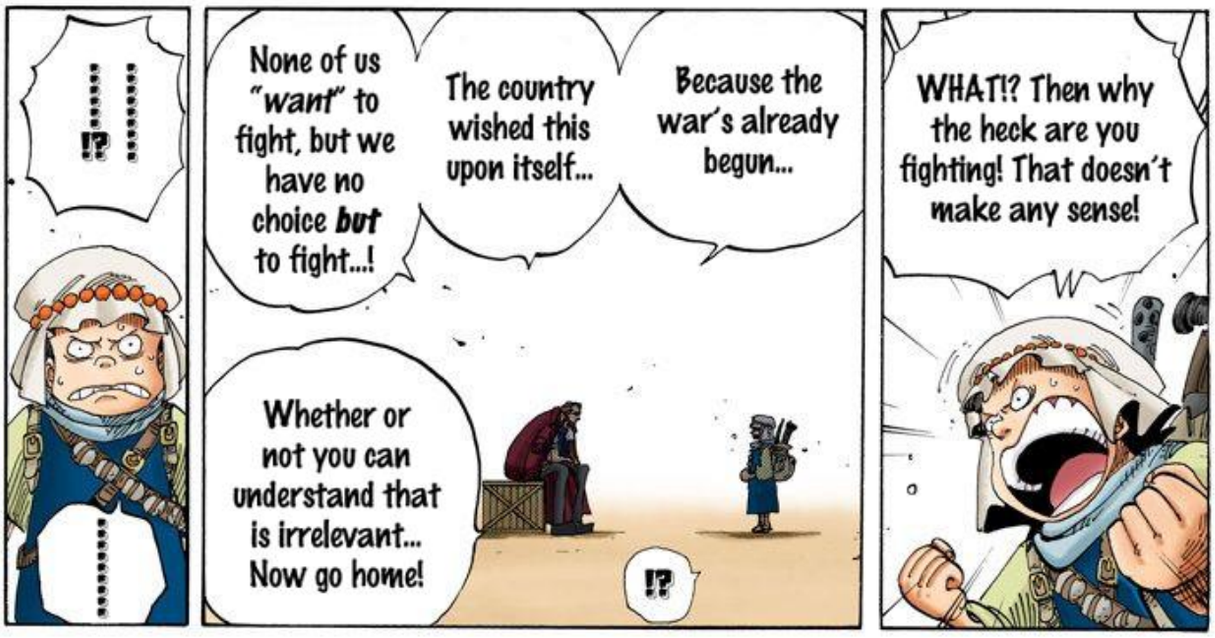

Kappa, a shoeshiner from Nanohana
PLEASE!

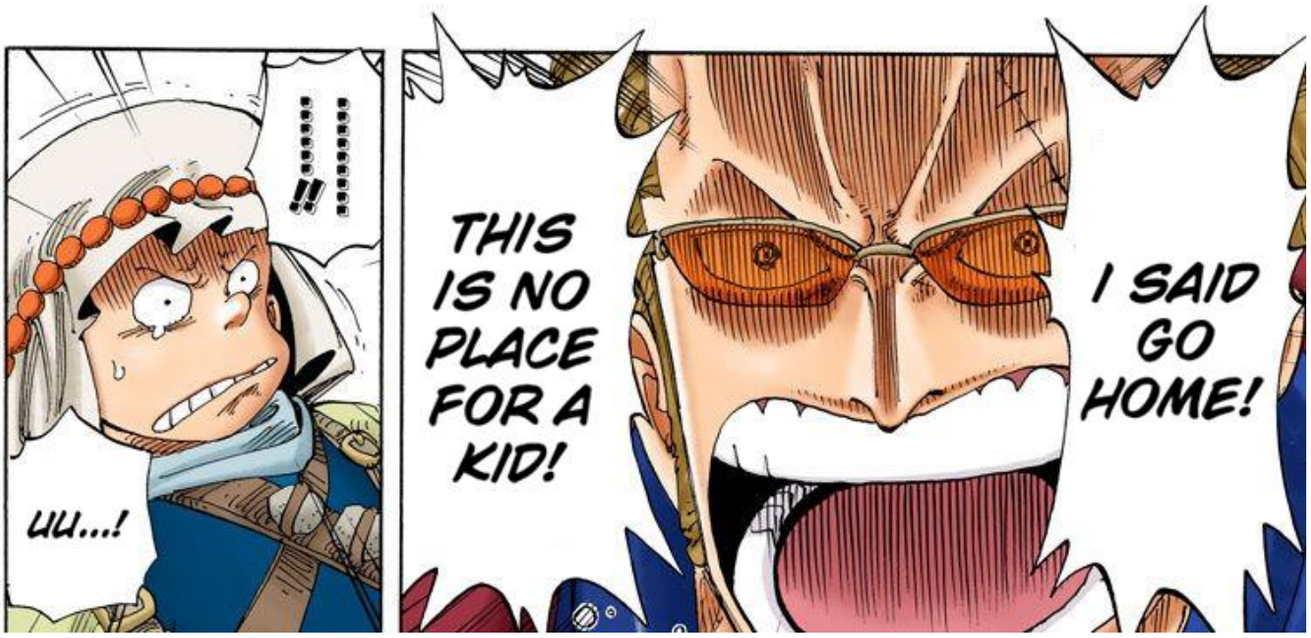

No.

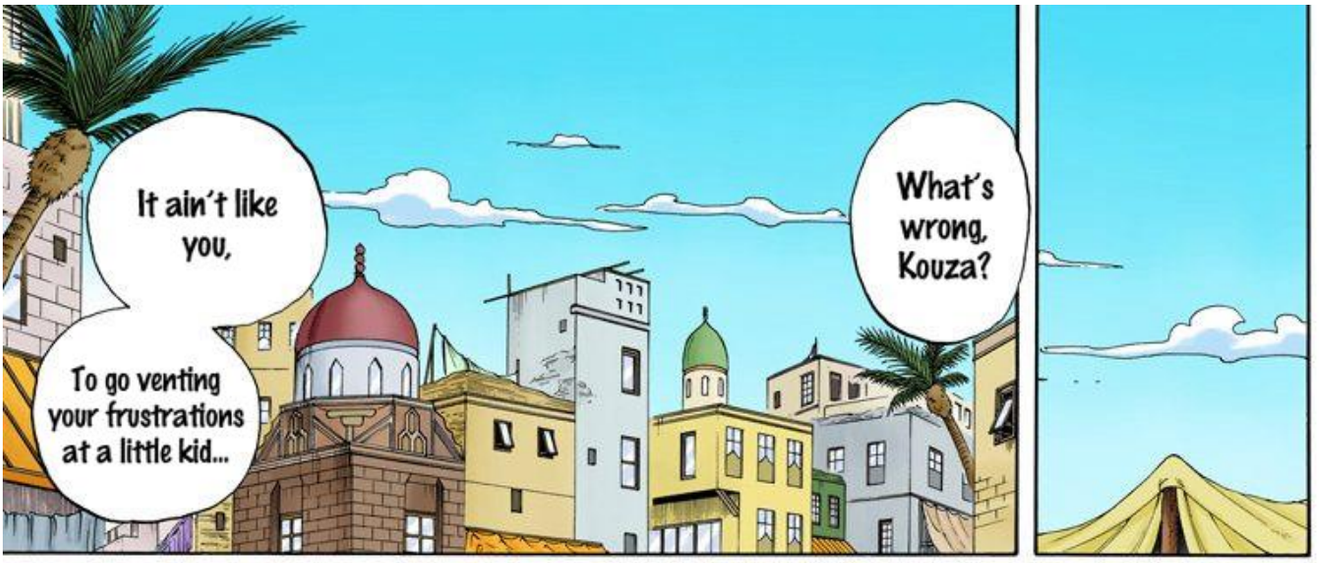

Falafra, show him...
Ok, boss.
SO LET ME JOIN YOU!
I HATE THE KING TOO!
WHY NOT!? I HAVE A RIGHT TO JOIN THE REBELS LIKE EVERYONE ELSE!

This man here received that wound during a battle, while trying to cover me...!
There's also the hospital ward and cemetary that I can show you...
GAHH!
ヒリヒリッ!!
ドーン!!
FLASH
ヒクッ
.....
I'M NOT SCARED OF THAT STUFF!
I'M...
SO I WANT TO FIGHT TOO! THINGS LIKE INJURIES OR DEATH ISN'T GOING TO SCARE ME AWAY!
This is all because he stole our rain!
And I know it won't be long before his town also dries up like Erumalu!
My friend who lives in the town beside Erumalu is sick right now!
.....

!?
If that's the case, then go home, because we're of different opinions.
All of us here are scared... None of us want to fight.

!?
None of us "want" to fight, but we have no choice but to fight...!
The country wished this upon itself...
Because the war's already begun...
Whether or not you can understand that is irrelevant... Now go home!
!?
WHAT!? Then why the heck are you fighting! That doesn't make any sense!

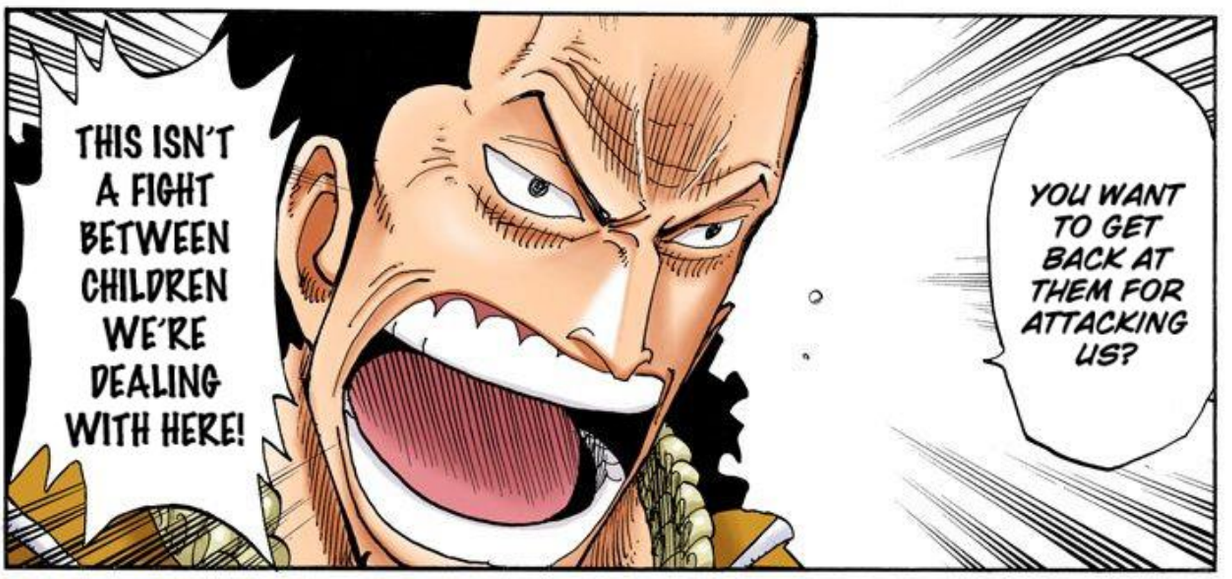

!!
UU...!
THIS IS NO PLACE FOR A KID!
I SAID GO HOME!

It ain't like you,
To go venting your frustrations at a little kid...
What's wrong, Kouza?

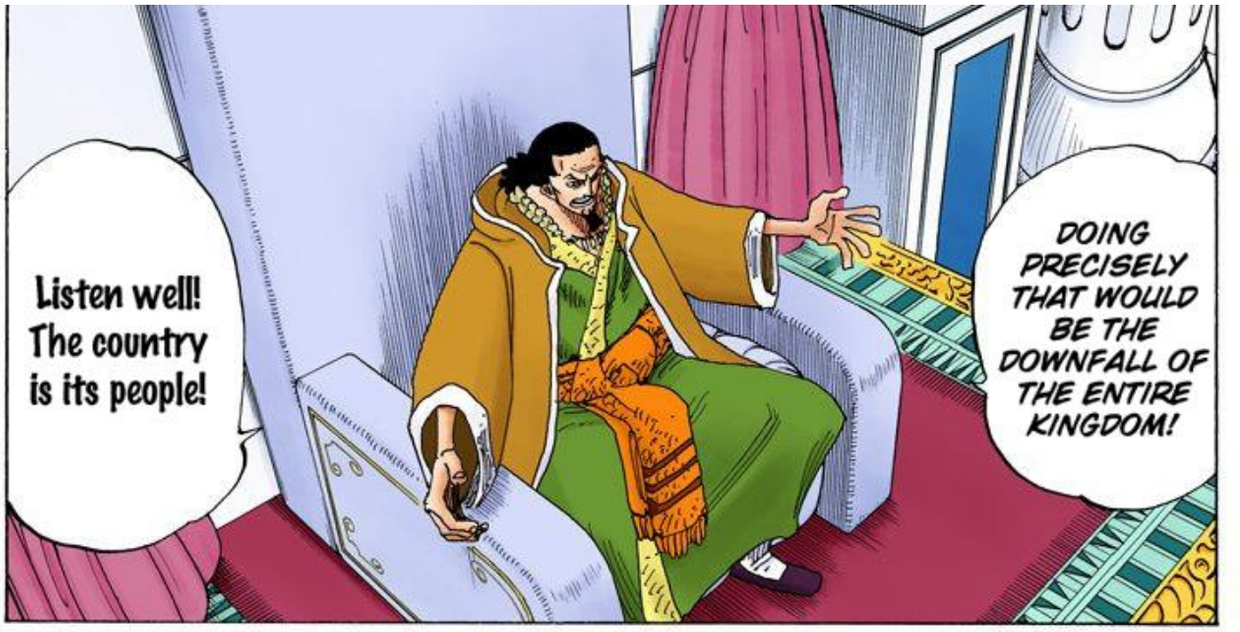

Send a message out to all of our forces...
Not as much as we'd like to have...
...Did you get the weapons?
!!!!!
The Royal Army prevented us from taking their armoury...
I just couldn't handle how much he reminded me of my own self when I was a kid...
Guess I haven't changed at all...

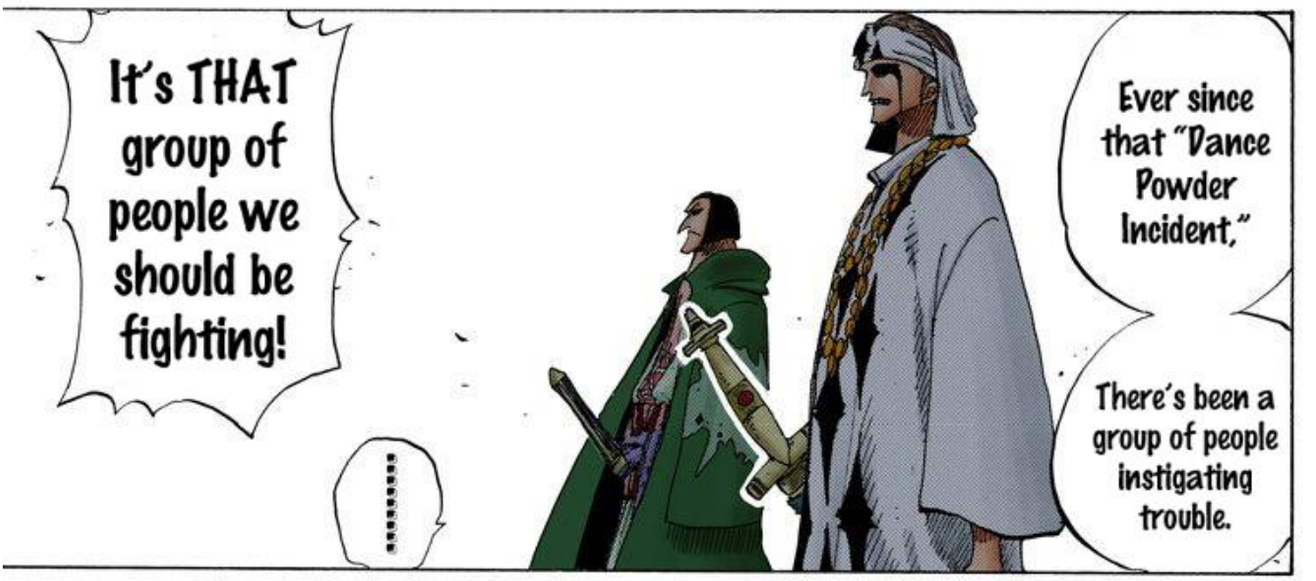

WE WILL AMOUNT A FULL-SCALE ATTACK ON THE CAPITAL!
AS SOON AS WE FINISH EQUIPPING OURSELVES WITH WEAPONS,

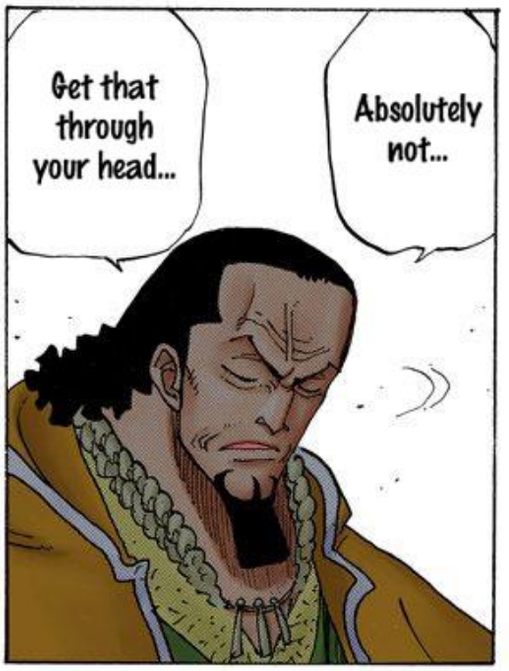

Royal Palace at Alubarna
ABSOLUTELY NOT! HOW MANY TIMES HAVE I TOLD YOU NO ALREADY!?

THIS ISN'T A FIGHT BETWEEN CHILDREN WE'RE DEALING WITH HERE!
YOU WANT TO GET BACK AT THEM FOR ATTACKING US?

SO WHAT IF IT DOES!?
YOU WOULD USE THAT AS AN EXCUSE TO KILL OUR PEOPLE!?
BUT YOUR MAJESTY! IF WE DO NOT ACT SOON, OUR KINGDOM MAY VERY WELL FALL!

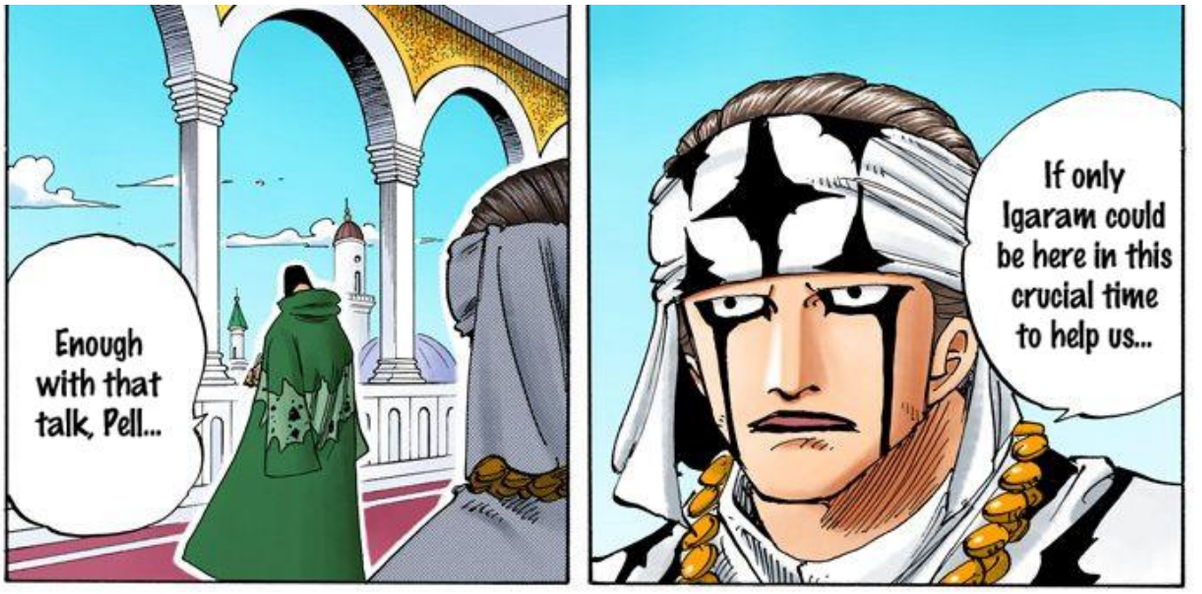

Listen well! The country is its people!
DOING PRECISELY THAT WOULD BE THE DOWNFALL OF THE ENTIRE KINGDOM!

It's THAT group of people we should be fighting!
Ever since that "Dance Powder Incident,"
There's been a group of people instigating trouble.

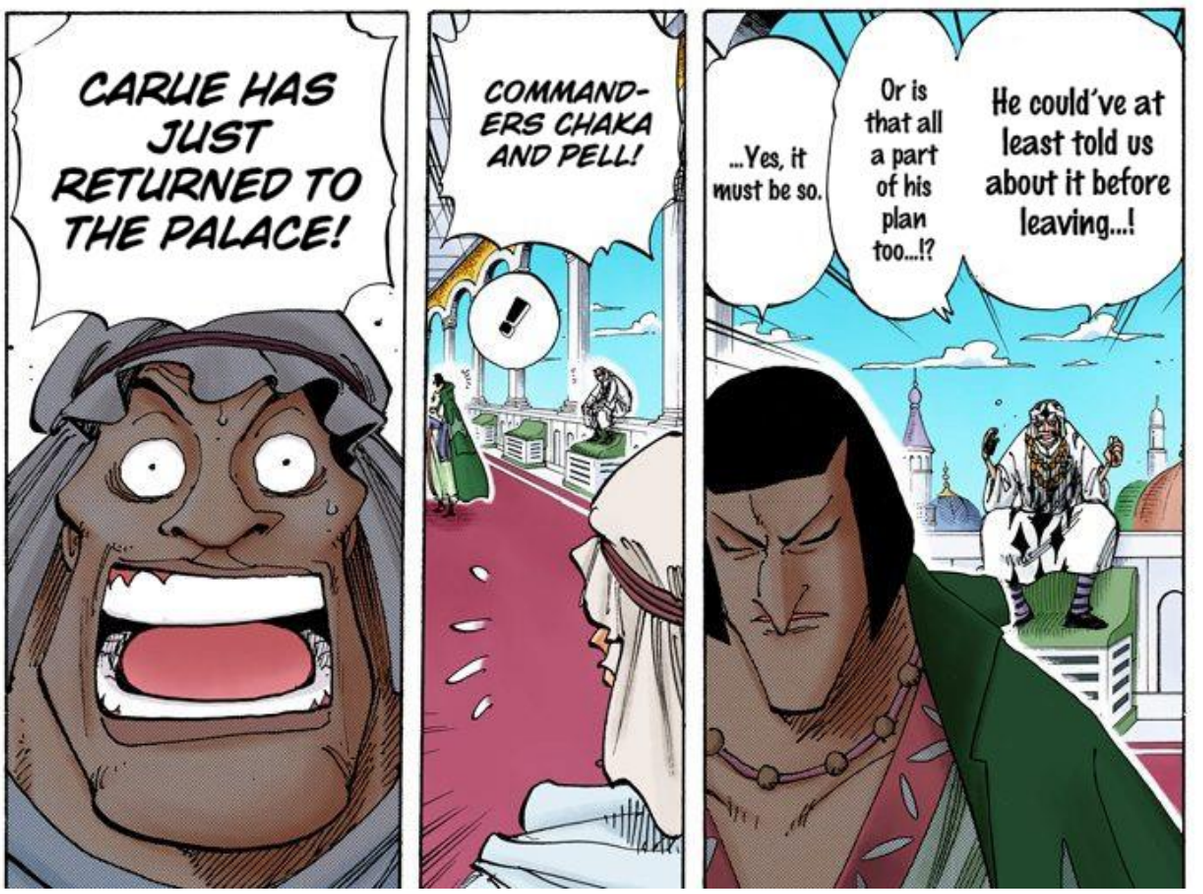

Get that through your head...
Absolutely not...

But the fact remains that we don't even have the faintest idea who this "shadow" is!
So please, your majesty!
And it'll be too late to act once this shadow envelops our entire kingdom!

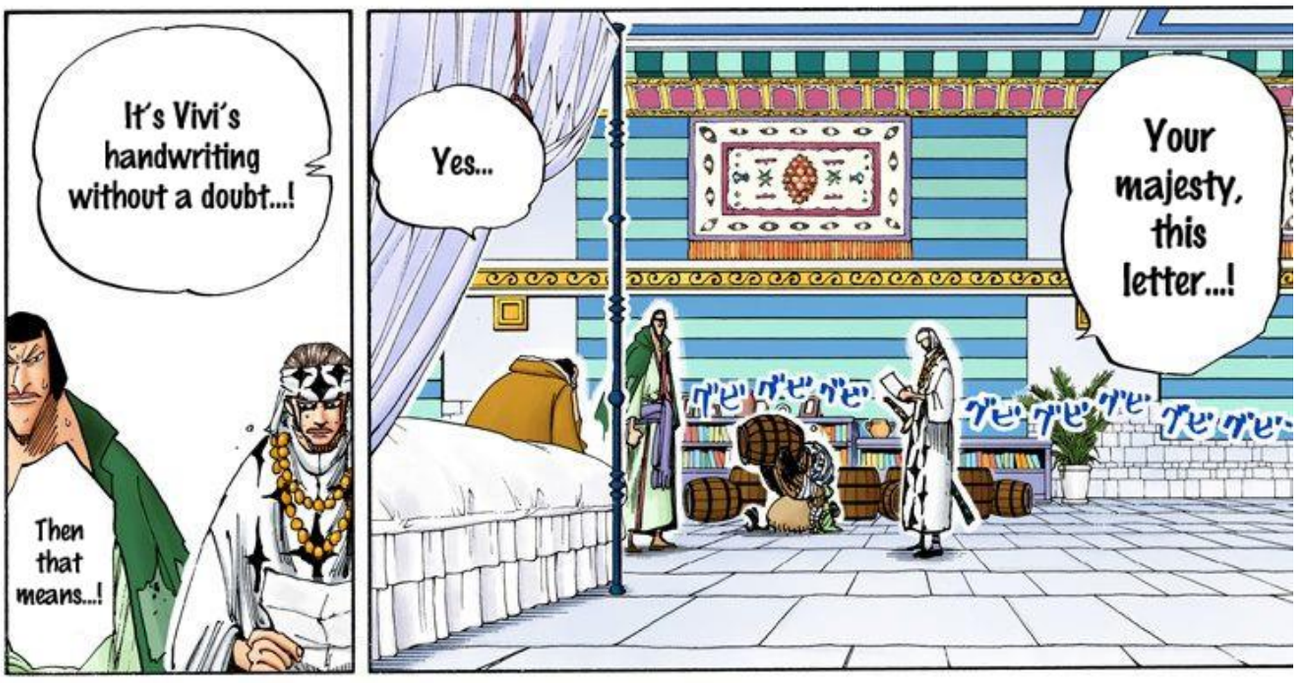

With the King's mind set on forbidding even the mere idea of an offensive,
All we can do is wait and suppress whatever revolt that keeps popping up...
And we're already at our limits,
Just trying to keep our own soldiers in-line...
Vice-Commander and current Acting Commander-in-Chief of the Alabasta Royal Guards "Chaka the Jackal"
Vice-Commander of the Alabasta Royal Guards "Pell the Falcon"

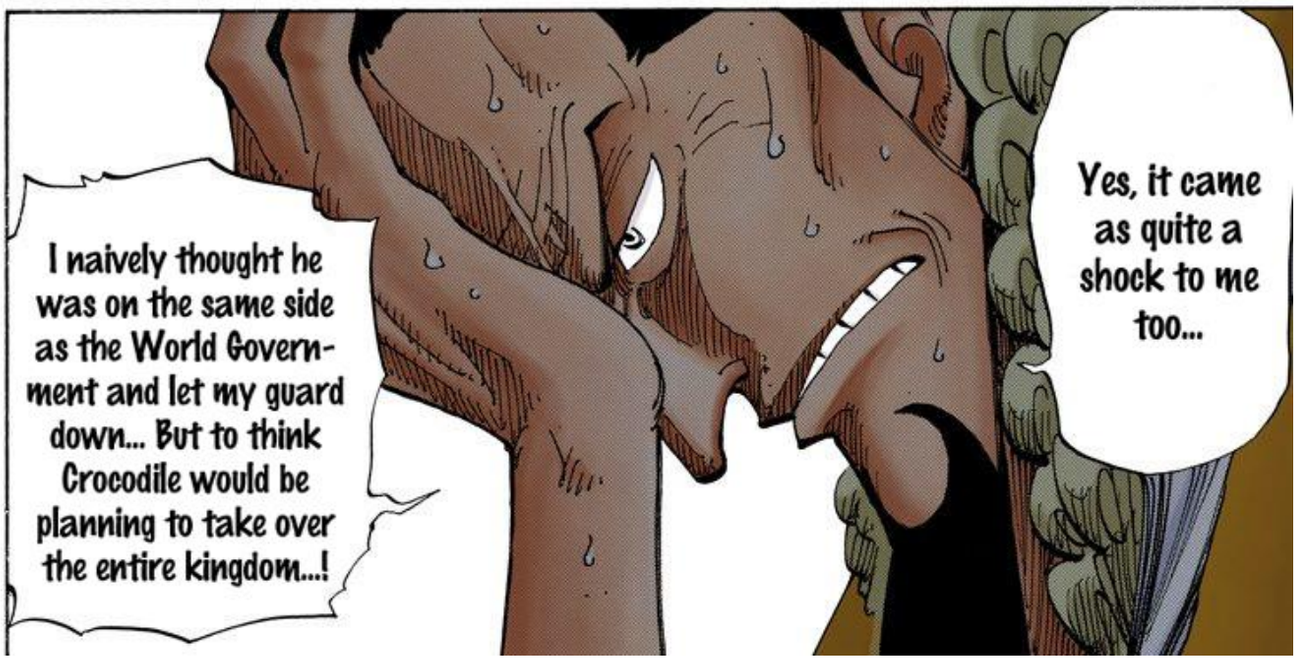

Enough with that talk, Pell...
If only Igaram could be here in this crucial time to help us...

The same goes for Princess Vivi...
He must have left with some sort of plan.
That man would never betray his kingdom...!
I shall bring light to the Kingdom.
-Igaram-

CARUE HAS JUST RETURNED TO THE PALACE!
COMMAND-ERS CHAKA AND PELL!
!
...Yes, it must be so.
Or is that all a part of his plan too...!?
He could've at least told us about it before leaving...!

チュー
ゴクゴクゴク ゴク
ゴクゴクゴク

It's Vivi's handwriting without a doubt...!
Then that means...!
Yes...
Your majesty, this letter...!
グビグビグビ
グビグビグビ

I naively thought he was on the same side as the World Government and let my guard down... But to think Crocodile would be planning to take over the entire kingdom...!
Yes, it came as quite a shock to me too...

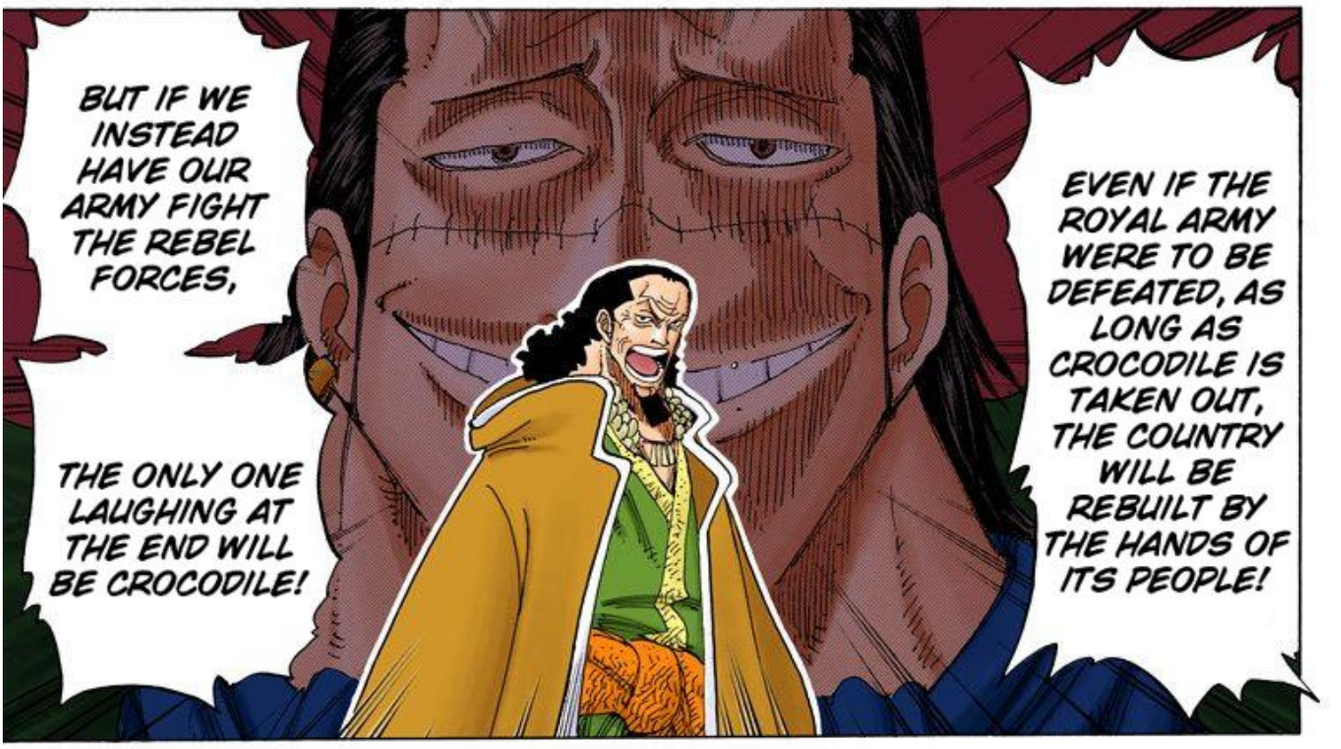

Well done, Carue.
It also said in the letter you fought bravely.
QUACK!
That's just the kind of man he was...!
He gave his life for Alabasta...
And Igaram ...!?
QUACK
W-wha!?
QUACK!
Is your left arm injured?
Here, let me have a look...
We've found our enemy at last.
Have the army prepare to move out at once!
Chaka.

ATTACK CROCODILE AT RAINBASE IMMEDI-ATELY!
WE CANNOT ALLOW VIVI'S DETERMINA-TION AND IGARAM'S SACRIFICE GO TO WASTE!

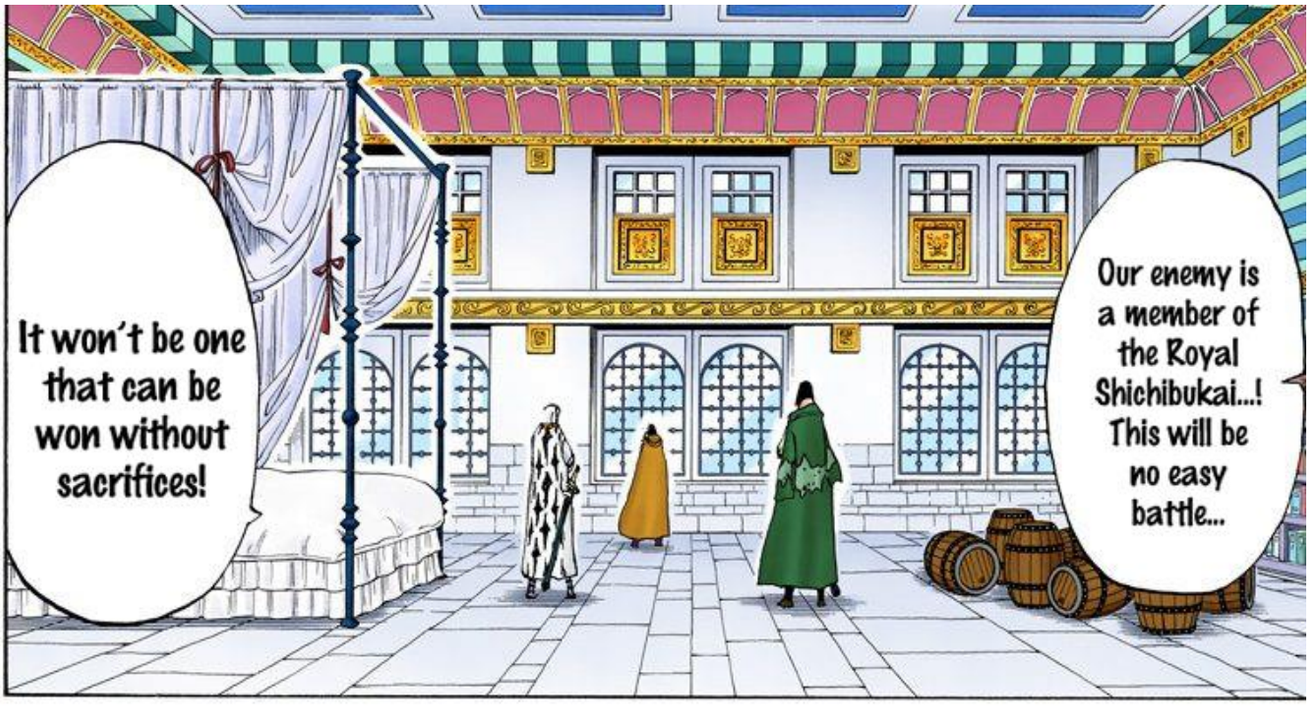

EVEN MORESO THAN YOUR MAJESTY RIGHT NOW, I'M AFRAID!
.....
Moreover, Crocodile has the support of the people behind him!
Please hold on a moment, your majesty! It's quite the distance from here to Rainbase.
Crocodile will easily know we're coming and should he wish to, he can simply avoid a fight.

The rebels will no doubt use the opportunity to capture the Royal Palace,
While our armies attack Rainbase...!
If we move in to attack Crocodile now,
That would be pouring oil on fire!

!?
Haven't I told you already that the country is its people!?
So what if the rebels take the palace...!?

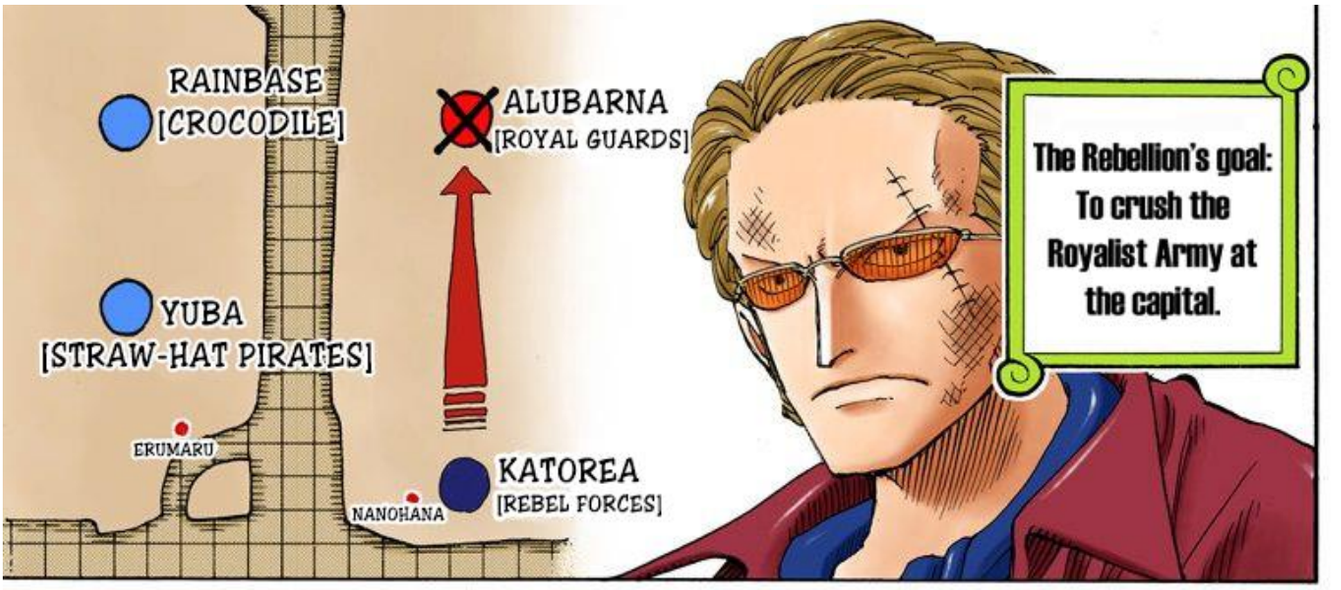

BUT IF WE INSTEAD HAVE OUR ARMY FIGHT THE REBEL FORCES,
THE ONLY ONE LAUGHING AT THE END WILL BE CROCODILE!
EVEN IF THE ROYAL ARMY WERE TO BE DEFEATED, AS LONG AS CROCODILE IS TAKEN OUT, THE COUNTRY WILL BE REBUILT BY THE HANDS OF ITS PEOPLE!

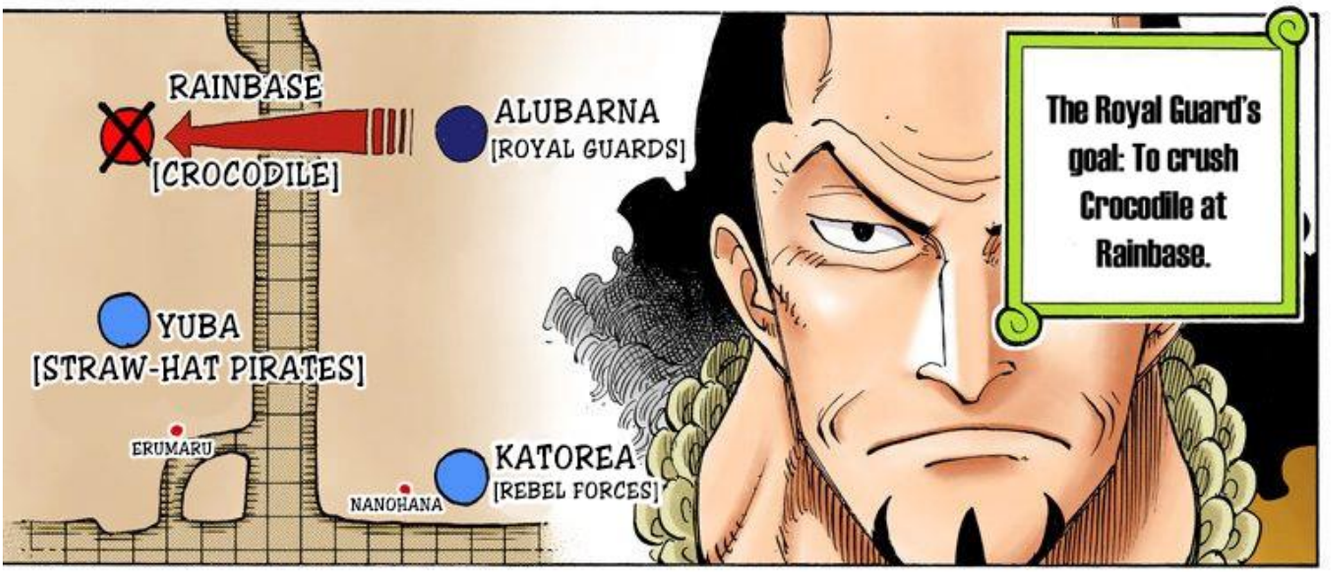

It does not matter even if stopping the rebels is impossible... Our only target is Crocodile!
Forgive our short-sightedness...
Your majesty...
!!

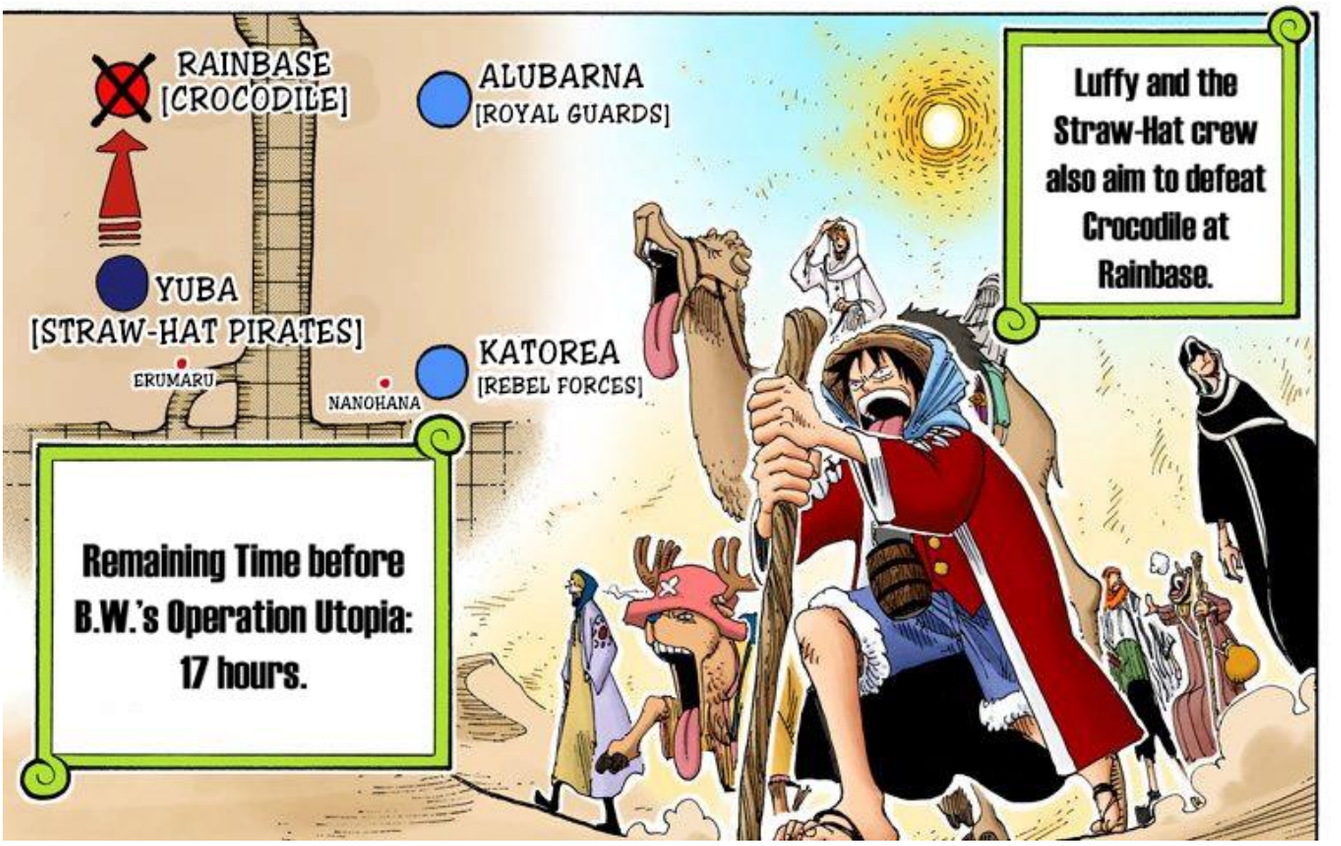

It won't be one that can be won without sacrifices!
Our enemy is a member of the Royal Shichibukai...! This will be no easy battle...

WE'VE UNDERESTIMATED OUR MAJESTY'S FORESIGHT... WHAT SHEER FORCE OF WILL!
Pell, you are to go ahead and scout the enemy base.
Chaka! Call all officers for an emergency battle meeting!

SEND ALL TROOPS TO RAINBASE!
